

Pine Island Academics, Arts, and Athletics Foundation of Minnesota

Request for Funding

Any requests for funding must meet the purposes of the PIAAA Foundation of MN to be approved.

Foundation purpose:

The Pine Island Academics, Arts, and Athletics Foundation of Minnesota is created to support educational programs for both students and personnel of the Pine Island Independent School District #255. The Foundation will provide funds for education programs and activities recognized by the district that require additional funding beyond the normal operating budget. The focus will be to provide financial support to enrich and enhance educational experiences or to fund creative and innovative projects that benefit academics, arts, and athletic programs. These funds will be used to promote high student achievement, provide a welcome and safe environment, and support effective and efficient operations.

The organization will accept donations and raise funds for the purpose of promoting educational improvement in programs and activities within the Pine Island School District. All programs that are funded must be for the benefit of public education as a program that is supported or recognized by the Pine Island School District in the areas of academics, arts, and athletics. All requests must be submitted to and approved by the PIAAA Foundation Board of Directors. **The Foundation meets monthly to consider funding requests. Requestors will be invited to discuss their proposals in person with the Board.**

Please fill out this request in detail and completely. Please attach additional information if necessary.

Submit request forms to HS Principal Mitch Schiltz, MS Principal Josh Westphal or Activities Director Lisa Myran-Schutte when complete. Electronic forms can also be emailed to cjdick67@gmail.com.

Copies of this request form can be found at our website: www.piaaa.org

Please contact Christopher Dick if you have questions - cjdick67@gmail.com.
